

# COVID-19 INFORMATION

Thank you for trusting High Calibre Cleaning & Janitorial Inc. to provide you with commercial cleaning services at this time. We recognize that we are providing an essential service and we intend to remain operational for the duration of this pandemic. As the situation with COVID-19 continues to change day by day, we at High Calibre are working hard to keep our customers' premises clean and disinfected to help keep your staff and patrons safe. We have taken great care in re-educating our staff regarding illness prevention measures and ensuring they have the right supplies, products and procedures to give our customers a clean and safe facility. As we are still learning about how COVID-19 is spread and we are monitoring the situation from trusted sources only such as:

- **[CDC – Centre for Disease Control Website](#)**
- **[Government of Canada Website](#)**
- **[Resources for Businesses Affected by COVID-19 – Chamber of Commerce Website](#)**

Our Cleaning staff will:

- Add one more different color cloth to use with a disinfectant chemical to wipe all touchpoint surfaces (counters, desks, light switches, door, railings, etc.) following a wash of the surface.
- Have a good disinfectant chemical in stock in the janitors room, along with multiple clean microfiber cloths
- Encourage the use of disinfectant soaked disposable wipes into to use in high traffic and high touch locations between janitorial service visits.

High Calibre is taking multiple steps to safeguard our people and maintain our cleaning services and business operations as we intend to see you through to the end of this Covid-19 Pandemic.
